To Our Valued Community Member,

The Warren County History Museum is proud to announce that the Fourth Annual Great Nicola Magic Festival is coming back to town on September 29th and 30th, 2023! We'll be hosting our 21+ Afterdark event on the evening of Friday the 29th, and a fun-filled family-friendly day of magic, workshops, and historical lectures on Saturday the 30th! This year we have new and exciting entertainers: a children's magician, who has appeared on Sesame Street, HGTV, and Universal Kids, a famous Midwestern local; and a sensational world-traveling grand finale performer. Along with featured magic performances, this festival will include lectures on the history of The Great Nicola, Johnson's Smokehouse food truck, carnival treats like cotton candy and slushies, a photo booth, and more!

We are currently seeking out local individuals and businesses interested in supporting and sponsoring this event to make it as successful as possible. Our intent is not only to increase the standing of the museum, but also the city of Monmouth and its surrounding towns. With the hope of turning the corner on COVID-19, this event will grow each year and incorporate much of the city by bringing visitors and tourists to our community. Just last year, we had people traveling to Monmouth from Missouri, Michigan, and beyond!

We know that in these extraordinary circumstances money might be tight or otherwise unavailable; however, that is the same reason the museum still needs your support! For the same reason, we are providing plenty of benefits for sponsors to give you the proper visibility.

Sponsorship of the event is possible through many channels. You can choose a sponsorship level in which your business receives many various benefits, or you can sponsor individual magic acts, covering the cost of the magician and their show. Please see the attached sponsorship package for more information and pricing.

The Warren County Historical Society is a 501(c)3 charitable organization, all money donated to this festival is tax-deductible. Your donation will not only help to support a local organization but will also help to improve the community that we all share and call home.

Thank you very much for your consideration

Sincerely,

Alyssa M. Whitacre
